

STAFF REPORT

RESOLUTION ADOPTING NAMES FOR TRAILS IN THE CITY'S OPEN SPACE TRAIL SYSTEM

April 27, 2004

Honorable Mayor and Council Members:

Summary

In order to complete a map and sign program for the trails in the Open Space Trail System names for each trail need to be designated. Staff is requesting that Council adopt names for the trails.

Background & Discussion

The construction of the trail system in our open space area (Western Hills and Water Dog Lake areas) is now complete. The next step in the process is to design and install signs to identify trailheads and specific trails in the system. The Parks & Recreation Commission has reviewed a list of nominations for naming the trails and developed a recommended list as shown on Attachment A.

The request to name the trails is made to comply with the City's "Policy and Procedures for Community Requests for the Naming of City-Owned Land, Buildings and Facilities" adopted by Council in 1990.

Once the names for the trails are adopted by Council staff will proceed with the sign program and update of the trail map. Funds for the installation of the signs are included in the Park Improvement Program for FY 2005.

Fiscal Impact

There is no fiscal impact related to the adoption of the trail names.

Recommendation

It is recommended that Council adopt the attached Resolution adopting names (as identified on Attachment A) for trails in the Open Space Trail System.

Alternatives

- 1) Refer back to staff for additional information.
- 2) Deny the Resolution.
- 3) Take no action.
